

FirstACTS®: Student Ridership Conduct Tracking System

Student conduct issues on even a single bus route can throw off the whole school day for students, parents or caregivers, and school officials. FirstACTS (Active Conduct Tracking System) is a web-based tool which eliminates tedious and time-consuming paper-based reporting and also allows more time for trend analysis. FirstACTS helps everyone more easily communicate incidents for timely action and resolution.

- **Connect:** Easily identify, communicate, and escalate issues to the right people
- **Customize:** Implemented to deliver what your district needs
- **Control:** Safe, secure, workflow access to critical information and updates
