

BE A PART OF YOUR STUDENT'S JOURNEY.  
TO SCHOOL. FROM SCHOOL. EVERY DAY.

Mornings happen **fast**. Showers, breakfasts, backpacks, prepared lunches. It's **hectic**.  
The FirstView<sup>TM</sup> Parent App makes your morning easier, uncomplicated.

FirstView<sup>TM</sup> keeps tabs on your student's bus and sends you alerts. It shows you the bus,  
the direction it's travelling, and an estimated time of arrival to your student's stop.

*Whether at work, at home or on the go, FirstView<sup>TM</sup> Parent App  
makes you part of your student's school day, every day!*

### Bus Tracking

Real time bus tracking shows school bus' location on a map and in proximity of your selected student's stop

### Security

Safe and secure password protection; additional security measures can be added based on school district's policies

### Custom Alerts

Time and distance alerts show proximity to student stop; user receives district messages for delays or other school issues
