

A smarter, safer ride for every student

First Alt, a division of First Student, is an alternative transportation solution designed for students whose needs are not met by a traditional school bus, including:

- Students experiencing homelessness
- Students with disabilities
- Out-of-district students
- Other special transportation needs

Benefits for Parents

- Safe, caring drivers who receive the same rigorous training as First Student bus drivers.
- Same driver every day provides a familiar, consistent presence for students.
- Drivers are equipped to handle everything - from behavioral challenges to installing and using special needs equipment.
- Real-time updates with First View® parent app and safety monitoring with GPS tracking and AI-powered cameras.

Requesting First Alt for your student

First Student works directly with school districts for student transportation. We cannot arrange transportation with parents or guardians.

If you believe your student may benefit from First Alt, please share this with your school district's transportation department or administrator.
