

2025 Q3

# SUSTAINABILITY UPDATE

We're excited to share our 2025 Q3 sustainability update, highlighting key milestones in our journey towards a greener future. As we continue to reduce our environmental footprint, this update provides a snapshot of our progress since publishing our 2023 full annual sustainability report and the impactful initiatives underway. You can review the full 2023 report on our website, where we dive deeper into our commitment and achievements in driving meaningful change.
