Access First Connect

Mobile App

Step 1. Scan the QR code with your phone camera and open the link.

Step 2. Download and Install First Connect app.

Desktop or Browser Site

Step 1. Access First Connect using URL <https://firstconnect.firststudentinc.com/>

Android: <https://play.google.com/store/apps/details?id=com.student.firststudent>
Apple: <https://apps.apple.com/us/app/first-connect-by-first-student/id6502282105>

Log into First Connect

Option 1. Workday Login

***All First Student Employees will use this option.**
Enter your Workday username and password.
Then verify yourself through a code sent to your email or phone.

Option 2. Company Email Users

Use this as an alternative option if you have a First Student email.
Use SSO if you have a FirstStudentInc.com email address.

For additional help logging into Workday, email Workday@FirstStudentInc.com.
